

Dear Parents / Guardians,

We would like to thank you for attending the Parents Briefing in February and for the encouraging feedback we have received. For those of you who were unable to attend, we strongly encourage you to access the information from the briefing slides which have been uploaded onto the school website.

The teachers and pupils are looking forward to a break in the coming March holiday. To ensure all our pupils have a good rest, there will be no holiday homework or classes held during the one week break. Do take some time to bond with your children.
