## 3. Photography & Videography on MOE's Media

A few of our school children will be featured in the various MOE's media such as MOE social media platforms (Schoolbag, Instagram, Twitter and MOE Facebook) for the purposes of documenting the educational experiences of our students. Sound recordings, video recordings and visual images (which includes photographs and still images taken from video recordings) of your child while he/she is in class, library, during PE and CCA lessons, etc. will be taken and used by both MOE and its agents at any time. For students who can be easily identified, we will be sending MOE consent forms to their parents. Do let us know if you have any concern.

#### **4. Chingay Parade 2018**

The 2018 Chingay Parade is the largest street performance and float parade in Asia. From the main parade site to the heartlands, the event showcases the dynamism of Singapore's vibrant and multicultural society. We are proud that 77 SKGians from P2 to P5, represented the school through their participation in the Chingay Parade, for the opening item, Chingay Wonderland. We would like to congratulate these students for their spirit of excellence as they persevered through the practices and rehearsals to put up such a successful performance!

#### **5. Scouts Investiture**

On 26 February, 25 SKGians comprising both boys and girls, were invested into the Scout Movement through a Scouts Investiture Ceremony. The Scout Movement is a worldwide movement that aims to support young people in their physical, mental and spiritual development so that they may play constructive roles in society. Through their involvement in the Scouts CCA in school, these cub scouts learn good values and practise discipline, leadership qualities and teamwork attributes through informal education processes at various formative stages. We look forward to seeing our Sengkang Green scouts playing an active role in school and the community.

Thank you and have a good holiday and bonding time with your child.

Your Partner-in-Education,

Mr Gau Poh Teck  
Principal
